Mission

Our mission is to train young people in the knowledge of our Lord Jesus Christ while providing a superior education founded in Biblical principles.

Statement Of Faith

1. We believe that the Bible is the verbally inspired and infallible, authoritative Word of God and that God gave the words of Scripture by inspiration without error in the original autographs (2 Tim. 3:16-17, 2 Peter 1:21). God promises that He will preserve His Word; Jesus said, "My words shall not pass away" (Matt. 24:35). We believe that God has kept His promise by preserving His infallible Word in the traditional Hebrew and Greek manuscripts and that the Authorized Version (KJV) is an accurate English translation of the preserved Word of God.
2. We believe that there is one triune God, eternally existent in the persons of Father, Son (Jesus Christ), and Holy Spirit; these three are one in essence, but distinct in person and function (Matt. 28:19, 1 John 5:7-8).
3. We believe that Jesus Christ, the Second Person of the Trinity, became for mankind the physical manifestation of the Godhead (John 1:14, 14:9; Col. 1:19). The earthly genealogy of Jesus may be traced through Mary's line to Adam (Luke 3:23-38). We believe in His virgin birth, sinless life, miracles, vicarious and atoning death through His shed blood and His bodily resurrection.
4. We believe in the burial, bodily resurrection of Jesus Christ from the tomb, and His ascension into Heaven (Mark 16:6, 19; 1 Cor. 15:1-4).
5. We believe that the Holy Spirit is the third person of the Trinity, the Agent of conviction, regeneration, indwelling, baptism, sanctification, and illumination of all who are born into God's family through Jesus Christ (John 3:5-6, Eph. 1:13-14). We are opposed to the charismatic movement and its sign manifestations, such as speaking in tongues.
6. We believe that God created the heavens and the earth in six literal days, and that God created all life (Gen. 1). We reject the man-made theory of evolution occurring over millions of years and believe that the earth is approximately 6,000 years old (Gen. 5, 11). We believe that God created man in His own image, but man chose to sin. Hence, all persons inherit a depraved nature and are lost sinners in need of salvation (Romans 3:10,23)
7. We believe that God created man and woman in His image and instituted marriage between one who is genetically male and one who is genetically female (Gen 2:18-24). Marriage is a sacred, exclusive union between a man and woman and serves as a picture of Christ's relationship with the church (Matt. 19:3-12, Eph. 5:22-33). We believe that God has commanded that sexual activity be exclusively reserved to a man and a woman

who are legally married to each other; and that Scripture forbids any form of sexual immorality including adultery, fornication, homosexuality, bestiality, incest, and use of pornography (Matt. 5:27-28, 15:18-20; 1 Cor. 6:11 & 18, 7:1-5; Heb 13:4)

8. We believe that Christ's blood shed on Calvary, is the only atonement for man's sin (John 14:6, 1 Pet. 1:18-19, 1 John 1:9). We believe that salvation is a free gift of God for "whosoever will"; it is by grace, through faith, plus nothing, and believers are eternally secure (John 10:27-28, Eph. 2:8-10). Salvation is received only by personal faith in the Lord Jesus Christ and His finished work. "Whosoever will" may come to Christ; God does not pre-elect persons to heaven or hell (Rom. 10:13, Rev. 22:17).
9. We believe in the spiritual unity of the body of Christ, called the church. It is composed of all born-again believers who have by faith accepted Jesus Christ as Savior (Eph. 2:8-22, 3:1-12, 4:4-16; 5:23-32). God has ordained the local church for the perpetuation of His truth and work in the world (1 Tim. 3:15). The two ordinances of the local church are baptism by immersion and a regular observance of the Lord's Supper by believers (Matt. 28:19, 1 Cor. 11:23-28).
10. We believe the Scripture regarding Satan, who rebelled against God was cast out of heaven with a host of angels who followed him (Isa. 4:13-15). He introduced sin to Adam and Eve in the Garden of Eden (Gen. 3:1-13). He continues to turn people from truth and against God (1 Pet. 5:8). Eternal hell was created for Satan, his demons, and people who do not believe in the Lord Jesus Christ for salvation (Matt. 25:41, John 3:16, Rev. 20:15).
11. We believe that the believer is called to a life of consecration which requires increasing in the knowledge of Christ and growing in grace. (John 15:4-5, Col. 1:10, 2 Pet. 3:18).
12. We believe that the will of God for all believers is to give evidence of sanctification through being honorable in all relations with others (Rom. 12:1-2, 1 Thes. 4:3, James 1:27).
13. We believe in the resurrection of both the saved and the lost; those that are saved unto the resurrection of eternal life in heaven, and those that are lost unto the resurrection of the eternal damnation in a literal lake of fire. (John 5:28-29; 1 Cor. 15:12, 20, 35-58; Rev. 20:10, 15).
14. We believe in the imminent, pre-tribulation return of Jesus Christ for all believers (1 Thes. 4:13-17). The rapture of the saints will be followed by a seven -year tribulation, after which Christ will return in glory to judge the world and set up His millennial reign on earth. (Rev. 20:1-3, 21:1-5).

Statement of Nondiscrimination

Open Door Christian Academy admits students of any race, color, national and ethnic origins to any activity at the school. It does not discriminate based on race, color, national or ethnic origin in administration of its educational policies, admission policies, athletics, or other school programs. *Open Door Christian Academy does not recognize nor believe in the concept of*

gender-identity. To enroll or remain enrolled a student must dress like, act like, and display characteristics of their gender at birth.

Standard of Conduct

Open Door Christian Academy holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate biblical basis for the idea of spiritual growth into the image of Christ (Romans 8:29) through the work of the Holy Spirit (II Corinthians 3:18). This growth begins at the initial moment of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the biblical demands for a holy life which fulfills both God's moral law and high law of love (Matthew 22:37-39; Romans 13:8-10; Galatians 5:14). The result is a life consecrated unto God and separated from worldly activities.

A sense of the need for spiritual growth in our students has led Open Door Christian Academy to adopt the following standards which are based upon biblical principles and are conducive to the spiritual growth and development of young people. Students are expected to abide by the following standards throughout their enrollment.

- Maintain Christian standards in courtesy, kindness, honesty, morality, dress, and environment.
- Avoid participation in worldly activities such as swearing or indecent language; inappropriate online or social media content; body piercings or tattoos; smoking in any form, to include e-cigarettes and vaporizers; possession or use of alcoholic beverages, drugs, tobacco, or related products; involvement in the occult; gambling; stealing; dancing; pornography; premarital sex; promoting or participating in homosexual or transgender lifestyles or other lifestyles contrary to Scripture; involvement in rock-style music, or rap music.
- Refrain from harassment, fighting, violence, or threats of any kind regardless of provocation; public disruptions or exhibitionism in any form; promoting division or a divisive spirit, pictures, writings, flags, banners, slogans, gang-related items, or any divisive activism.

Students found to be out of compliance or harmony with Open Door Christian Academy's Standards of Conduct will be subject to administrative withdrawal. Any student who has been arrested by public law enforcement authorities will be suspended until such time as that student is adjudicated either guilty or not guilty. Any student who is adjudicated guilty will be transferred out of Open Door Christian Academy.

Open Door Christian Academy has open enrollment and therefore some of our students may not be Christians; however, our desire is to see all our students become Christians. Whether or not a student has made a personal decision to be a Christian, each student will be expected to abide by

these standards of conduct and maintain Christian standards. **Attendance at Open Door Christian Academy is a privilege, not a right.**

Character development is the most important work of a school. No other course offered in the school affords greater opportunity for laying the foundation of Christian character.

❖ Sports Information

Philosophy of Athletics

- Open Door Christian Academy believes that participation in an interscholastic sports program gives the student the opportunity to not only exercise his body, but also to put into practice the Christian character training and spiritual principles he has received at home, in church, and in the classroom.
- In I Corinthians 10:31 we see our philosophy of sports, "*Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.*" In keeping with this philosophy, we provide training sessions for coaches and athletes, the use of certified officials for all high school contests, the purchasing of quality uniforms and equipment, and high academic standards which must be maintained for participation in the school's athletic program.

League Affiliation

- ODCA is a member of the A.C.E.L.
- Our presence in sports leagues is for athletic competition only, and does not approve nor disapprove of the standards of other schools.

Athletic Eligibility

- Students must maintain at least a 2.5 GPA without an "F" in any subject.
- Grades will be checked for eligibility at weekly intervals beginning with the completion of the sixth week of school.
- Students are, by law, permitted to participate in sports outside of ODCA if that sport is not offered by the academy.

Road Games

- Any students participating in a high school sport can anticipate traveling with the team unless notified otherwise by the athletic director.
- Bus Policy (sports travels and academic travels)
 - Players are required to ride the bus to away games. If players want to ride home with their parents, then they must have permission slips or notes given to the coach.
 - Pick up and drop off at any destination other than the school parking lot is prohibited.
 - Eating on the bus is only allowed when approved by the coach or driver.

- Players are responsible for keeping the bus clean.

Letter Requirements

- When participating in a varsity sport, students in ninth grade or above could earn a letter.
- A letter is earned if the athlete participates in at least 50% of the game time in that sport.
- If an athlete participates in less than 50%, the student receives a certificate of participation.

Attendance Requirements

- Regular attendance at practices and games is expected of all students participating in a sport.
- A student who knows he must miss a practice or game should notify his coach as far in advance as possible
- A student who is absent from school for more than half day should not attend practice or games that day.
- Coaches do have the authority to issue disciplinary measures with approval of the athletic director for missing practices.
- A student who is not able to play due to an injury is still expected to attend practices and games unless excused by the coach.

◆ Safety and Security

General Policy

Since the health and safety of our students is extremely important to us, ODCA has established safety protocols. We are consistently evaluating our policies and procedures to provide the best environment for our students.

- Campus
 - ODCA maintains a campus that is modern, clean, and safe. Guardians are to refrain from the possession or use of alcohol, drugs, tobacco, and similar products on campus. Pets should not be brought to campus without prior approval from administration.
- Visitors
 - During and after school hours, parents are requested to stop by the office if they need to leave something for the student or teacher; or if they must pick up the student. Please do not go directly to the classroom, as this interrupts the teaching.
 - Visitors during the day must check in with the office and obtain a guest badge that they are to wear while on campus. Visitors are asked to check out at the office when they leave. Please keep visits as short as possible to prevent distractions to the student body.
- Security
 - We work closely with local law enforcement to establish security protocols, and our limited-access building with continual video surveillance aids in keeping students and staff safe. We encourage parents and students to report any suspicious activity (even from social media) to the administration or staff.

Child Pick-Up Restrictions

If parents are divorced or separated, and one parent is not allowed to see or pick up the child, we must have on file at the school office a certified copy of the court order of final judgement. If your child is being picked up by someone other than a parent, you must notify the school office. If you cannot be reached, your child will not be allowed to leave with them.

After School Supervision

We encourage parents to pick up students promptly after school activities are over.

Students are unable to:

- Remain on the school grounds after 3:30 P.M. unless arrangements have been made with a specific teacher.

Students that remain on the campus after 3:30 P.M. will be charged \$15 dollars every half-hour. This fee goes directly to the Faculty that was supervising the child. (Students are exempt if arrangements have been made between the teacher and the parents)

◆ Student Life

General Information

Fields Trips and Social Activities

Students participating in trips, whether one day or overnight, will be expected to adhere to all school policies and regulations. All students must ride on school-provided transportation. Chaperones and guests are expected to conform to ODCA standards of dress and behavior.

Although ODCA is an academic institution by nature, it also strives to provide fun and wholesome activities for its students. Throughout the year, various outings, banquets, and special events may be planned. These activities are designed to meet the social needs of the students. All such events are chaperoned and adequately supervised for the safety and well-being of all. For this reason, students may feel comfortable participating in any of the activities. Even though some activities are off campus, school policies will always apply and be enforced.

Extreme Weather Conditions

- School closing announcements will be made over Channel 6 News, Channel 13 News, and Channel 8 News. This can also be found on the web for those stations' sites.
- School announcements will also be made via email, texting, and our Facebook page by 6:00am.
- Snow days that exceed the predetermined amount allowed by the state of Maine will be made up at the end of the year.

Telephones and Cellphones

The telephone in the school office is for school business. If a student is sick, the school office will call the parent. No student or teacher will be called out of class to answer the telephone. In case of an emergency, call the office. A teacher may return your call when on break or after school.

- Students who have cellphones must turn them into the office at the beginning of the day. At no time may a student take pictures of other students or teachers during school hours.

Lunch Program

Students may bring a packed lunch or order lunch from the school when available. All elementary students have a snack time each day. This snack is not provided by the school and will need to be provided by the parent. We do have microwaves for the students to use. Please send easy-to-heat meals that do not take a lot of time.

Lost and Found

There is a central location for lost and found items. Personal articles should be labeled with the name of the owner to the greatest extent possible. Articles not claimed by the end of each quarter will be thrown away or given to a charitable agency.

Student Automobile Policy

- It is a privilege to be able to drive a car to school.
- All student-driven cars are to be registered in the school office.
- Cars are to remain parked until students leave for the day or parental permission is given to leave early.
- Cars are not to be occupied during school hours, nor are students to sit in parked cars during the school day.
- At no time may a student leave the campus in someone else's vehicle unless parental permission has been granted.
- Failure to follow these policies will result in losing the privilege of bringing your car to school.

Student Lockers

- Each student in junior and senior high will be issued a combination lock at the start of the school year. Students may not use personal locks on their lockers.
- The assigned lockers will be jointly accessible to the student and school officials and may be subject to search at the discretion of school administration.
- Should a student lose or damage his lock, they must pay a lock replacement fee of \$10.
- Lockers must always be kept neat and clean.
- The school will not be responsible for missing locker items that are not properly safeguarded.

Social Media Footprint

Any student that uses social media should do so with caution. In the event something is seen on a social media site by the administration or staff that is not honoring to God or not in accordance with the school's handbook, policies and the spirit of the school, disciplinary actions will be administered. The administration reserves the right to administer the discipline in accordance with the school's handbook

Grade Promotion Policy

- Students in kindergarten through eighth grade who get an "F" in two or more required subjects will repeat the grade.
- No student can make less than 60% in any given subject.
- Students in 9th through 12th grades who are enrolled in a full-year course shall receive a full credit if the student completes both semesters and the averaging of the grades obtained for each semester results in a passing grade.
- A student who fails Bible for two consecutive quarters will not be allowed to return to Open Door the following semester.

Student Responsibilities

- Conduct
 - Open Door Christian Academy is above all else a Christian institution in both philosophy and practice; therefore, the goal of ODCA is to provide the best possible learning environment in a Christian atmosphere. We firmly believe there is no place at ODCA for worldly practices or divisions so common among other institutions. Students are expected to abide by the biblical principle, "Do unto others as you would have them do unto you." ODCA has the reputation of having a student body with an excellent spirit with every student treated equally and fairly, regardless of nationality, race, or background.
 - A sense of the need for spiritual growth in light of biblical principles has led ODCA to adopt Standards of Conduct with care believed to be conducive to the environment that will best promote the spiritual welfare of the student. Students are expected to abide by the Standards of Conduct throughout their enrollment. Students will not be admitted to class without a signed Standards of Conduct Agreement on file.
- Accountability
 - Believing that accountability is necessary for the welfare of the student as well as the entire school, each teacher is given the responsibility of enforcing classroom regulations in accordance with school policy and in light of Christian principles of discipline as set forth in the Scriptures. Since the teacher is responsible to maintain appropriate classroom behavior, it becomes necessary to correct any behavior that hinders the teacher or students in the classroom.
 - Examples of typical corrective measures for routine behavioral issues are student-teacher conference, after-school detention, student-administrator conference, parent-teacher conference, and Saturday detention. Students may be suspended or expelled for excessive accumulation of detentions, repeated failure to report to detention, or skipping Saturday detention. A student who has been suspended from school for any reason will receive zeros for any classes missed and may not be permitted to make up exams missed.

- Behavior such as lying, stealing, disrespect, cursing, cheating, vandalism, gang-related items, or symbols, skipping school, or other misconduct may result in suspension or expulsion. Although this list is not exhaustive, it represents behavior that is not acceptable.
- Actions that threaten or jeopardize another individual's ability to function safely will require further corrective measures. Violence, fighting, bullying, or threats of any kind are not tolerated. This includes possession of anything that could be used as a weapon. Students' lockers, bookbags, or other storage areas are subject to search, upon reasonable suspicion, for prohibited or illegally possessed substances or objects. Students may be expelled for any action or statement associated with violent behavior including a joke which could be interpreted as a threat. The school board will make decisions on an individual basis regarding suspensions and expulsions.
- Any student who promotes division or a divisive spirit through social media, secret clubs, symbols, pictures, writings, flags, banners, slogans, or any divisive activism is out of harmony with the standards of Christian philosophy of ODCA may be withdrawn or refused reenrollment at the discretion of the administration. Each student is fully responsible for the reputation he builds for himself, including online and through social media. Attendance at ODCA is a privilege and not a right.
- Full cooperation is expected from both the students and parents in the education of the student. IF at any time the school feels that this cooperation is lacking, the student may be requested to transfer out. Also, if the student's behavior or attitude indicates an uncooperative spirit or one that is out of harmony with the spirit and standards of ODCA, whether or not there is any definite breach of conduct, he may be requested to transfer out.

Computer Policy

Computer use is a privilege and not a right. Any attempt to gain access/push access on a restricted computing device owned and operated by this academy, that you do not already have access to, will result in immediate dismissal from the school as well as legal repercussions. Please refer to *Title 18, United States Code, Section 1030*.
